Definitions

61.5-01-02-01. Definitions. Unless specifically stated otherwise, the following definitions are applicable throughout this title:

1. "A school of physical therapy or a program of physical therapist assistant training" is a nationally accredited program approved by the board.
2. "Board" means the North Dakota board of physical therapy.
3. "Consultation by means of telecommunications" means that a physical therapist renders professional or expert opinion or advice to another physical therapist or health care provider via telecommunications or computer technology from a distant location. It includes the transfer of data or exchange of educational or related information by means of audio, video, or data communications. The physical therapist may use telehealth technology as a vehicle for providing only services that are legally or professionally authorized. The patient's written or verbal consent will be obtained and documented prior to such consultation. All records used or resulting from a consultation by means of telecommunications are part of a patient's record and are subject to applicable confidentiality requirements.
4. "Direct supervision" means the physical therapist is physically present on the premises and immediately available for direction and supervision. The physical therapist will have direct contact with the patient during each visit. Telecommunications does not meet the requirement for direct supervision.
5. "Examination" means a national examination approved by the board for the licensure of a physical therapist or a physical therapist assistant.
6. "Manual therapy" means the use of techniques such as mobilization or manipulation, manual lymphatic drainage, and manual traction on one or more regions of the body.
7. "Onsite supervision" means the supervising physical therapist is onsite and present in the department or facility where services are provided, is immediately available to the person being supervised, and maintains continued involvement in appropriate aspects of each treatment session in which supportive personnel are involved in components of care.
8. "Physical therapist" means a person licensed under North Dakota Century Code chapter 43-26.1 to practice physical therapy. The term

"physiotherapist" is synonymous with "physical therapist" for purposes of these rules.

9. "Physical therapist assistant" means a person licensed under North Dakota Century Code chapter 43-26.1 who assists a physical therapist in selected components of physical therapy intervention. The physical therapist assistant must be a graduate of a physical therapist assistant program approved by the board.
10. "Physical therapy" means the care and services by or under the direction of a physical therapist.
11. "Physical therapy aide" means a person trained under the direction of a physical therapist who performs designated and supervised routine tasks related to physical therapy.
12. "Practice of physical therapy" means:
 - a. Examining, evaluating, and testing individuals with mechanical, physiological, and developmental impairments, functional limitations in movement and mobility, and disabilities or other health-related and movement-related conditions in order to determine a diagnosis for physical therapy, prognosis, and plan of therapeutic intervention, and to assess the ongoing effects of intervention.
 - b. Alleviating impairments, functional limitations in movement and mobility, and disabilities by designing, implementing, and modifying therapeutic interventions that may include therapeutic exercise; neuromuscular education; functional training related to positioning, movement, and mobility in self-care and in-home, community, or work integration or reintegration; manual therapy; therapeutic massage; prescription, application and, as appropriate, fabrication of assistive, adaptive, orthotic, prosthetic, protective, and supportive devices and equipment related to positioning, movement, and mobility; airway clearance techniques; integumentary protection and repair techniques; debridement and wound care; physiotherapy; physical agents or modalities; mechanical and electrotherapeutic modalities; and patient-related instruction.
 - c. Engaging as a physical therapist in reducing the risk of injury, impairment, functional limitation, and disability, including the promotion and maintenance of fitness, health, and wellness in populations of all ages.
 - d. Engaging as a physical therapist in administration, consultation, education, and research.

13. "Restricted license" for a physical therapist or physical therapist assistant means a license on which the board places restrictions or conditions, or both, as to scope of practice, place of practice, supervision of practice, duration of licensed status, or type or condition of patient or client to whom the licensee may provide services.
14. "Student" is an individual who is currently engaged in the fulfillment of a physical therapy or physical therapist assistant educational program approved by the board.
15. "Supportive personnel" are persons other than licensed physical therapists who function in a physical therapy setting and assist with physical therapy care.
16. "Testing" means standard methods and techniques used to gather data about the patient.
